

## Dyne Therapeutics to Present at Stifel 2024 Virtual CNS Days

March 13, 2024

WALTHAM, Mass., March 13, 2024 (GLOBE NEWSWIRE) -- <u>Dyne Therapeutics</u>. Inc. (Nasdaq: DYN), a clinical-stage muscle disease company focused on advancing innovative life-transforming therapeutics for people living with genetically driven diseases, today announced that management is scheduled to participate in a fireside chat at the Stifel 2024 Virtual CNS Days on Wednesday, March 20, 2024 at 8:30 a.m. ET.

A live webcast will be available in the Investors & Media section of Dyne's website at <a href="https://investors.dyne-tx.com/news-and-events/events-and-presentations">https://investors.dyne-tx.com/news-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events-and-events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/events/eve

## **About Dyne Therapeutics**

Dyne Therapeutics is a clinical-stage muscle disease company focused on advancing innovative life-transforming therapeutics for people living with genetically driven diseases. With its proprietary FORCE™ platform, Dyne is developing modern oligonucleotide therapeutics that are designed to overcome limitations in delivery to muscle tissue. Dyne has a broad pipeline for serious muscle diseases, including clinical programs for myotonic dystrophy type 1 (DM1) and Duchenne muscular dystrophy (DMD) and a preclinical program for facioscapulohumeral muscular dystrophy (FSHD).
